

## MISSION STATEMENT

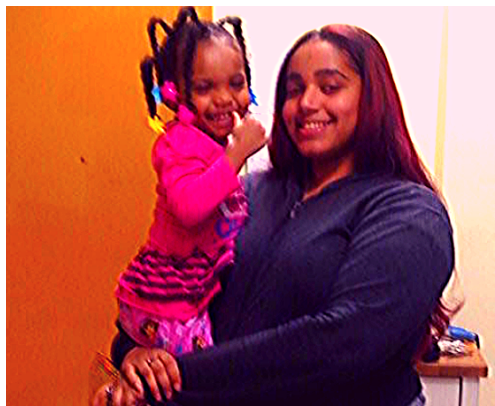

Divine Angels Wellness Center created a safe environment for young adolescent girls and young woman 15-21 years of age to call home.

A safe haven of expression, highlighting freedom of self-care, self-evaluation, self-awareness, creativity and adversity. We strive to break the cycle of generational patterns and develop future entrepreneurs and community leaders.

Divine Angels girls develop self-confidence, make ethical decisions, healthy life choices and excels academically through educational programs and self awareness.

## PURPOSE

Our purpose is to reach young women in group homes and shelters, searching for the right answers to their questions. We are the community. We created opportunities that seem unreachable and make them possible. It starts with an idea and then the journey begins!
